Phil's Forecast:

The home team is 5-1. There have been 7 upsets the L/11Y. LY UT led 14-7 at the half but NI had 4 straight 3Q drives totaling 337 yds and won 31-24. LTH was an amazing 63-60 final and NI pulled the upset. Both tms off misleading gms as LW at the 8:00 mark of the 4Q, UT was leading Buffalo 48-21 but had to hang on for a 51-41 win. Meanwhile, NI at the 8:00 mark was tied w/Ball St at 27 before scoring 21 str in a 48-27 win. Remarkably NIU beat EMU by 39 (+321 yds) and CMU by 21 (+246) while UT also beat EMU by 29 (+420) and CMU by 21 (+48). NI has won 23 str MAC gms and is on a 22-1 run dating back to LY (only loss to FSU) but their BCS dreams die tonight in the Glass Bowl.

Phil's Forecast:

Only prior mtg was the 2009 St Petersburg Bowl, which Rutgers won 45-24 with a 380-255 yd edge. RU is traveling here only on 5 days rest off a 52-17 loss to Cincy where they were outgained 619-357. The D is now all'g 514 ypg in their L/5 gms. UCF, in a clear flat spot LW, barely avoided an upset as they rallied to beat Temple 39-36, getting a FG as time expired. They still remain firmly in control of the AAC but the BCS pressure is starting to build. Bortles 19-5 ratio TY and a 68% comp % is taking on a Rutgers D all'g 328 ypg (64%) and a 28-7 ratio. Look for UCF to roll as Rutgers w/the off-field issues could be in serious trouble for the 2nd straight week.

Phil's Forecast:

The home team is 4-0. UAB is playing its 3rd str tough CUSA foe off road trips to MU and ECU (lost by a combined 119-28). Their D is all'g 43 ppg and 504 ypg and now will be taking on a Rice tm who has won 6 of their L/7 gms (12 of L/15 dating back to LY) after LW's 52-14 emtional win over LT. My heart goes out to their HC Bailiff who lost his dad last week. Since coming back from injury, Rice RB Ross had 167 vs NMSt, 152 vs UTEP, 101 vs NT and 215 vs LT tying a CUSA record w/5 td's LW. While they are traveling on a short week here look for the Owls to continue their hot streak as they still have hopes for a CUSA West Division Title.

Phil's Forecast:

LY's 38-35 win over AF snapped a 5 gm series losing streak. UNLV went into HT trailing 28-17 but actually outrushed AF in the L/3Q's. UNLV has extra time to prep for the option off a bye but AF is also off a bye. UNLV hasn't been bowling s/'00 and has been sitting on 5 wins for nearly a month w/pressure st'g to mount on HC Hauck. The UNLV rush D is all'g 236 (5.5). AF D is all'g a ridiculous 72% completions and have benefited from playing 3 option tms in the L/5 gms. Now they will get a tough task vs Herring who is completing 63% w/a 17-5 ratio. UNLV gets to bowl eligibility!

Phil's Forecast:

LY SJSt had to travel across the country and was fresh off their upset of SDSt. They shockingly shut down Navy allowing 144 yds while rolling up 388. It was the fewest amount of yards for Navy in 10 years. L3Y incl bowls Navy is 0-4 on long trips out West (avg loss by 16 ppg). However, their option offense does get stronger as the ssn progresses and they have totaled more yds on offense than the prev gm in each of their L/4. SJSt is off B2B losses and is still sitting at 5 wins. With unbeaten Fresno on deck, this could be their last chance to make it back to a bowl. Look for this one to go down to the wire but I will agree with my computer here and call for the Mids to further SJSt's woes.

Phil's Forecast:

NU has now won 3 in a row in this series as the 2 are B10 regular crossover foes. LTH was PSU's first w/o Joe Paterno on the sidelines and NU escaped with the 3 pt win 17-14. LY PSU led 20-6 at the half but NU rallied for a 32-23 win benefiting from a ? call where PSt could have scored a td but it was ruled a fumble. LW w/the Big 10 Legends division on the line, Neb simply handed it to MSU as they inexplicably had 5 TO's (4 of them unforced). The TO's resulted in 24 MSU pts as the Huskers had 19-18 FD and 392-361 yd edges. While they can't go to a bowl again TY, PSt got to 6 wins LW w/a 45-21 win over Purdue as they had 31-14 FD and 501-264 yd edges. While Neb's B10 hopes went down the drain LW, they can still grab a NYD's bowl and on the road TY are all'g just 274 ypg. Huskers get a solid road win.

Phil Steele	**Illinois by 6**	

Phil's Forecast:

While the Illini D is all'g 554 ypg on the road TY, their offense has shown much more life than PU's offense as they are avg 465 ypg away from home while the Boilers are avg just 283 ypg at home (-164 ypg, outscored 40-15 on avg). Both tms come in winless in B10 play as the Illini gave a great effort in a 60-35 loss to OSU as it was 47-35 mid-4Q. On the other side, PU lost 45-21 to PSt. Difference here is QB play as 4-yr st'g QB Scheelhaase is avg 271 ypg (65%) w/a 17-10 ratio while true frosh Etling is avg 174 ypg (51%) w/a 5-6 ratio. The winner here stays out of the B10 Leaders basement and in Beckman's case, the outcome could determine his fate as HC. The B10's 2nd longest losing streak in history (20 gms for Illinois) comes to an end.

ILLINOIS 33 PURDUE 27

OVERALL: 1-9 **CONF:** 0-6

Phil's Forecast:

For both schools this is the only team they have played on TY's sked continuously s/'97 as both were in the BE all those years and now both move to the ACC. Cuse are off B2B road while Pitt is playing a 7th consec week. Someone here is heading to a bowl as both tms come in at 5 wins. The Orange are off an expected 59-3 blowout loss to FSU but the final box score was misleading as they had 13 of their 17 FD's in the 2H. LW Pitt actually trailed 27 3 in the 2H before rallying, but their PR D did them in as they allowed 2 td's. While it is notable these tms are on the cusp of bowl elig in their initial ACC ssn, they are both getting outscored and outgained. However, Pitt has the better D and actually has 2 quality wins on the yr (Duke/ND) while Cuse's best win came in a misleading gm over Tulane.

Phil's Forecast:

The two have an interesting history as the BE brought in UC and kicked out Temple so the game has always meant a lot to Temple and they have pulled upsets the L/2 meetings. Despite a combined 1-18 record, these two tms are heading in opposite directions. The Owls have now beat the experts in the desert in 6 consec gms w/frosh QB Walker in the line-up. LW they came close to pulling off their biggest win in 15 yrs as they dropped a heartbreaker to UCF 39-36. The Owls led 36-29 late 4Q but all'd 2 big pass plays (1 a td and another set up GW FG). On the other side, the Huskies are 0-9. LW they lost to SMU 38-21 as Cochran became their 3rd diff st'g QB TY. He was 25-42-227-2-2 but the D all'd 450+ yds for the 3rd time in 4 gms. Owls pick up their 2nd win in the Rhule era.

Phil's Forecast:

OSU has won 16 str in the series, 2nd only to the 23 game win streak (1960-'86). LY OSU led 52-34 with 6:47 left before Indy got a td, rec the onside kick and got another td with 1:05 left and were able to attempt another onside kick which OSU recovered. The 49 pts were Indy's highest pt total ever vs OSU. Indy routinely gets slaughtered vs Wisc and LW was no exception as they lost 51-3. While the Bucks have now set a schl-rec w/22 str wins, after B2B blowout wins over PSt/Pur, LW's 60-35 win over Illinois was a step-back especially on D. They still have an FBS-best 192 1Q pts TY and are avg 49 ppg and 537 ypg. OSt is a remarkable 284-0-1 all-time when scoring 35+ and now faces an Indy D that is all'g 53 ppg and 633 ypg on the road TY. Bucks need another statement win after LW and get one here.

Phil's Forecast:

LY MSU still needed a win for bowl elig and had a 419-303 yd edge but blew numerous scoring opp's and lost. The 2 tms are off misleading finals as MSU was practically handed the Legends div title by Neb LW as the Huskers had 5 TO's (MSU 0) in the Spartans 41-28 win. The 5 TO's resulted in 24 MSU pts. Meanwhile, NW has to be the most snake-bitten tm in the country these L/2 yrs. After coming up just 5:03 short of an undefeated ssn LY, the Wildcats have now lost 6 str B10 gms TY after LW's 3OT loss to Mich 27-19. NW led most of the gm and appeared to have won it in regulation but UM was able to get a FG off just as time expired with players arguably still in motion. In their L/3 gms alone, they have lost 2 in OT and one on a Hail Mary td pass. This week doesn't get any easier and look for them to lose another close one.

MICHIGAN ST 20 NORTHWESTERN 14

Phil's Forecast:

In the last meeting in '10, EC led 21-0 but needed a FG with 1:04 left to force OT where they won it. EC comes in winners of 4 str gms after a 63-14 pasting of UAB where they piled up 36-17 FD and 625-354 yd edges. On the other side, NCSt has lost 6 str gms and fell to 0-7 in the ACC for the 1st time ever after LW's 38-21 loss at BC. QB Thomas st'd in place of Mitchell (CS) and was 22-33-207-1-0 but they were dominated at the LOS getting outrushed 420-35. This is a unique spot where NCSt is a home underdog against a non-BCS foe that has the CUSA East title showdown vs Marshall on deck. NCSt is in an ACC sandwich but desperately needs a win to get some positive momentum for the future under Doeren. This goes down to the wire.

NC STATE 28 E CAROLINA 27

Phil's Forecast:

First meeting. ID is off a bye and comes in 1-9 after a misleading 59-38 loss to ODU. That gm was tied at 31 at HT and ODU got a td run w/:28 left. While the ID offense has moved the ball, their D is all'g 532 ypg (#124) incl 5.3 ypc and 69% completions. LW FSU and Winston didn't allow off-field distractions to bother them as it was ho-hum just another blowout win for the Noles. While Oreg has laid claim to a pt per minute offense in recent yrs, LW the Noles avg'd 3.2 pts per min as they only had the ball for 18:18. Noles can easily name the score here and my computer is actually calling for them to hold Idaho to a negative point total. While that's not possible, what is definitely possible is another 50+ pt win for the Noles.

FLORIDA ST 65 IDAHO 0

Phil's Forecast:

Only mtg was '11's Beef 'O' Brady's Bowl. MU won 20-10. Sandwich gm for MU here as they are off a road trip to Tulsa and have the CUSA East title gm on deck against ECU. The Herd are off a 45-34 win over Tulsa LW. The key play happened in the 1H w/MU already up 21-0 when an int prevented them from going up 28-0. It was the 1st of 5 TO's as they had 32-20 FD and 619-345 yd edges. It's been a forgettable 1st ssn for HC Turner as FIU is now 1-9 after LW's 33-10 loss that saw them get dominated by a fellow 1-win tm (outgained 407-200) in UTEP. They are getting outscored by 28 ppg and outgained by 193 ypg on the yr. Look for the Herd to thunder into next wk's showdown vs EC w/an emphatic win, but they could be resting some starters late after jumping out to a big lead.

Phil's Forecast:

The last 7 meetings the avg score is just 29-25. LW the Bulldogs suffered one of the most gut-wrenching losses in CFB history as they rallied from a 20-pt 4Q deficit to take a 38-37 lead w/1:49 left. Then on 4&18, Aub threw a pass downfield where 2 UGA players collided and the ball bounced up in the air and into the arms of an unknowing Aub ply'r who took it in for a 73-yd td. LW UK had a 17-14 FD edge but couldn't overcome a -4 TO deficit in a 22-6 loss to Vandy. Not much to play for but pride for UGA but 4Y st'g QB Murray and holder of nearly every single SEC career passing record should be motivated to go out on a winning note in his home finale.

Phil's Forecast:

LW KU broke their 27-gm B12 losing streak w/a 31-19 upset of WV. KU dominated the gm much more than the final as they had a 31-7 lead in the 4Q before WV managed 148 yds and 2 td's on their final 2 drives. KU did pile up 315 rush yds as Cozart got the start at QB. LW ISU actually led OU 10-3 but a 91-yd PR td by OU w/1:09 left before HT completely changed momentum as the Sooners scored the gm's final 45 pts. It was the 7th str loss for the Cyclones as they all'd 405 rush yds (9.2) and now face a rejuvenated KU run attack led by RB Sims who had 200-plus rush yds. After breaking the long losing streak can the Jayhawks make it 2 for 2? I'll say yes and make the Jayhawks my upset pick of the week.

UPSET PLAY OF THE WEEK

Phil's Forecast:

WF was 12-0 vs Duke the Blue Devils finally broke through LY. Shockingly the path to an ACC champ leads through Durham and no, I'm not talking Coach K and the basketball tm here. HC Cutcliffe continues to work his magic after LW's 48-30 win over Miami. The Blue Devils were down 30-28 in the 3Q but scored the gm's final 20 pts as they tallied a shocking 358 rush yds. While QB Boone moved to 8-0 as a st'r, bkp Connette accounted for 5 td's. Every wk is uncharted territory for the Blue Devils and this is the 1st time s/'99 that they are favored to win an ACC game on the road since 1999. WF is playing with revenge, coming off a bye and catches Duke off one of their biggest wins in schl history.

WAKE FOREST 24 DUKE 23

Phil's Forecast:

BC is now 6-2 in this series. Both tms clinched bowl elig LW. The Eagles continue to ride the legs of the nation's leading rusher Williams who re-breaks his own schl record on a weekly basis after piling up 339 yds LW in their 38-21 win over NCSt. The Terps who were stuck on 5 wins for what seemed like an eternity got a huge upset win over VT 27-24 in OT as Edsall's seat cooled significantly. The key to this gm will be how the MD front 7 holds up as it's been trick or treat TY w/4 gms all'g less than 100 yds and 3 gms all'g 240+ (3 of L/5). These tms are basically even but it should be noted the Eagles are -169 ypg on the road TY and I'll take the Terps to win by a FG here.

MARYLAND 30 BOSTON COLLEGE 27

Phil's Forecast:

Battle of Paul Bunyan's Axe. UW has won 9 in a row in this series by 17 ppg. The Gophers are no doubt one of the surprise darlings of the country TY at 8-2 and winners of 4 str. However, now they face a bigger, stronger and faster version of themselves as the Badgers come in winners of 5 in a row. LW they crushed Indiana (like they do each and every year) 51-3 while piling up 554 rush yds (11.1!). They are now avg 308 rush ypg (7.0) on the year! On the D side, they are all'g just 99 ypg (3.1) while Minny's rush D has all'd 202 (5.9) the L/3 wks. The Badgers still have BCS hopes and I'm not shying away from a team that is +218 ypg on the year and comes up #7 in my game grades on PhilSteele.com.

Phil's Forecast:

Al Golden was the Cavs DC from '01-'05. UVA has won 3 in a row in the series. Both tms come in reeling as UVA has lost 7 str gms and had the bye to lick their wounds after B2B blowout losses. Meanwhile the Canes after climbing as high as #7 in the polls, have now lost 3 str gms after LW's 48-30 loss to Duke. In those L/3 gms the D, which was thought to be much improved TY, has reverted back to their 2012 form all'g an avg of 44 ppg and 536 ypg. While I do expect the Canes to stop their losing streak here, this will be closer than the experts think.

MIAMI 37 VIRGINIA 23

Phil's Forecast:

These 2 were also CUSA members until '04 but their last game was in '02. LW UH nearly pulled a huge upset at L'Ville losing 20-13. Cincy was also impressive LW in a 52-17 win over Rutgers as they had a 619-357 yd edge. Coming into the gm, however, their 9 prev opponents had a combined 17 wins and the best mark belonged to FCS NW St at 5-5. They have still only played my #121 sked and now travel west taking on a UH tm that has already played against the likes of BYU, UCF and UL. I would take all 3 of those squads over this Cincy tm and look for the Cougs to grab an impressive win and another best bet winner.

Phil's Forecast:

In their last meeting ('10) which was also here UL scored td's on 7 of their first 9 drives. UM was shutout 56-0 (worst shutout loss s/'78). The Cards come in off a 20-13 win over Houston but Bridgewater saw his streak of gms w/a td pass end at 21. Memphis, meanwhile is off B2B wins incl LW 23-10 over USF. The gm was very misleading as it was just 6-3 late 4Q before a scoring barrage. The Tigers were outgained 325-242 but benefited from 5 USF TO's incl a 36-yd IR td that sealed the gm. Expect a low-scoring contest w/another Cardinals' win.

Phil's Forecast:

UT's victory over Vandy in '11 proved costly in '12. In the lockerroom after the game Derek Dooley said basically that the one thing they do every year is kick Vanderbilt's butt. LY VU HC Franklin reminded his team often of those comments. VU would roll up their biggest MOV over UT since 1954 in a 41-18 rout. LW Vandy just clinched bowl elig for the 3rd str ssn (1st time in schl hist). UT, meanwhile is off a bye needing 2 wins to clinch elig. They are at home where they are a much better tm as they are 4-2 (+17 ypg) incl an upset win over SC while they are 0-4 away from home (-215 ypg). They come in off 3 str blowout losses but most tms would lose in the same fashion to the likes of Bama/Mizzou/Auburn. This is a revenge game for a team that had won 28 of 29 and was embarrassed LY. Look for new HC Jones to make winning back the state a priority here.

TENNESSEE 31 VANDERBILT 24

Phil's Forecast:

UM's Molnar was the QB cch here in '06. Can't get a much bigger Chip's sandwich with WM and EM (Mich MAC championship). However, they are in the same boat as a yr ago, needing 3 str wins to close the ssn against the MAC's weakest tms. Step #1 was accomplished LW as they beat WM 27-22. They could have won by more but were done in by 5 TO's. It was nice to see RB Tipton (out most of yr, broken ankle) get his 1st 100-yd gm of the ssn. It's been Heartbreak Hotel for the Minutemen in MAC play TY, as they dropped their 2nd gm by a single pt LW 14-13 to Akron as the Zips scored a 4Q td for the final margin. Wegzyn/Doyle continue the revolving door at QB going 17-28-151-1-2. Look for CMU to take Step #2 towards getting back to bowl elig this wk.

Phil's Forecast:

LY was the first mtg s/'08. EM came in having a comb'd 1,201 yds over the prev 2 games but BG's D held them to 178 yds. BG comes in with 12 days off and EM with 14. In their L/gm, BG continued their impressive play w/a 49-0 whitewashing of Ohio. The Falcons D was dominant limiting OU to just 50 yds and 2 FD's in the 1H while the offense has a great 1-2 punch w/QB Johnson (66%, 14-5 ratio) and RB Greene who has 1,167 rush yds. In EM's last gm, a fired up Eagles squad beat WM 35-32 in OT. Interim HC Stan Parrish has plenty of exp, but the problem is, he is most known for going 2-30-1 at KSt before Snyder replaced him (also 6-19 at BSt). This is EM's FHG and they should play w/some emotion again and while BG has the MAC East champ gm at Buffalo in 6 days, they can name the score here.

Phil's Forecast:

Last met in '97 with the Cowboys winning the L/5 as WAC foes. Huge edge here for Wyoming not only because of climate diff but also elevation diff as UH plays at sea level while WY stad is highest in the country at 7,200 feet. This is also UH's 3rd trip to the mainland in 4 wks. Both tms come in searching for a win as WY has lost their L/4 while UH is 0-10 after LW's 28-21 OT loss to SDSt. UH again played valiantly but now have 4 losses by a td or less TY. LW UW was outgained 524-265 in a 48-7 loss to Boise. Their D is all'g 569 ypg the L/4 gms while the offense, which started the yr avg 489 ypg has managed just 296 and 265 yds the L/2 wks. Situation and elevation say take the Pokes here, but the Warriors have been scrappy all year and look for them to keep it close.

Phil's Forecast:

First meeting. While WKU is on their 3rd road gm in 4 wks, they are off a bye. Texas St had a bye prior to LW's trip to Ark St but it did them no good as they lost 38-21 to Arkansas St after the gm was tied at HT at 21 all. The Bobcats were dominated at the LOS getting outrushed 328-158 and now face one of the best RB's in the country in Andrews who has 1,407 (6.2). The Bobcats are a much better tm at home than away TY as they are outscoring foes by 9 ppg (+92 ypg) while they are getting outscored by 9 ppg (-185 ypg) on the road. Both tms have clinched bowl elig but w/the SBC only having 2 guaranteed spots, the loser here will be on the outside looking in. Look for WKU to take a page out of AST's gameplan and run Andrews a ton here (226 carries TY).

WKU 24 TEXAS ST 21

Phil's Forecast:

Situational edge to Iowa as UM is off Mich St and Neb w/OSU on deck while the Hawks come in off a bye. LW the Wolverines brought w/them a lucky rabbit's foot at NW in their 27-19 win in 3OT. The Wildcats dropped nearly 10 possible int's. With just 2:18 left, the Wolverines took over at their own 22 w/no TO's left and proceeded to convert on 4th Dn twice. Then w/the clock winding down they managed to get a 44-yd FG on the final play as multiple players were scrambling and not fully set incl the K. They continue to have protection issues as they have all'd 19 sks in the L/3 gms. That's not good news against a physical Iowa tm that has won several best bets for me already this year and are looking to get a B10 statement win. They get one here.

Phil's Forecast:

UCLA OC Noel Mazzone was the ASU OC for 2Y under Erickson. UCLA QB Brett Hundley grew up near Tempe. LY UCLA went 60/12pl and got a 33 yd FG on the final play for the win. While ASU is still a game up in the P12 South standings, the Bruins control their own destiny if they win out. Both tms come off solid wins as UCLA beat Wash 41-31 L/Fri but they did benefit from 4 UW TO's and Huskies QB Price was KO'd late 1H. LB-turned-RB Jack continues to impress w/4 rushing td's. ASU also benefitted in the TO area getting 5 from OSU in their 30-17. They led 20-0 in the 2Q. A win here will send them to the P12 Champ gm. The Devils have been the more impressive tm TY as they are +137 ypg while the Bruins are +64 ypg. This one goes down to the wire.

Phil's Forecast:

CSU's OC Dave Baldwin was USt's OC the previous 3Y. Utah St comes in off a bye while CSU is playing a 7th str and on B2B road LW they racked up a 66-42 win at NM as RB Bibbs had another record-breaking performance w/291 yds and tied a MW record w/6 td's. It was my high scoring game of the week and the two tms combined for 108 pts and 1,176 yds. They have won 4 of their L/5 as they need just 1 more win to get to bowl elig (play 13 gms). Utah St has rebounded from losing QB Keeton for the yr as they have 3 str wins. Prior to the bye they rallied for a 28-24 win at UNLV and then benefited from some ? play-calling as UNLV had a FD inside USt's RZ. CSt keeps it close throughout but tough to go against Utah St here.

Phil's Forecast:

USC is 3-0 in this series winning by an avg of 44-9. USC is in a Stan/UCLA sandwich but clearly the mood has changed in LA as the Trojans are 2 missed FG's away from being a perfect 6-0 under interim HC Orgeron. LW USC pulled the upset over #4 Stanford 20-17 getting a 47-yd FG w/:19 left. QB Kessler has thrived in the L/4 wks as he is avg 234 ypg (72%) w/a 5-1 ratio. The D, outside of the ASU gm, has been solid all yr. Now they face a CU tm that has to be playing w/some confidence after grabbing their 1st P12 win under 1st yr HC MacIntyre LW 41-24 over Cal. No doubt USC has the better personnel, but this could be a flat spot and I'll call for them only by 3 td's here.

USC 38 COLORADO 17

Phil's Forecast:

The Aggies have been winning w/offense all yr as they are avg 578 ypg led by Manziel who has a 26-8 ratio (72.5%) but is doing less running TY at 553. Their D, however is all'g 473 ypg and 36 ppg on the road TY. The Tigers are the best 3-loss tm in the country as they are +107 ypg. In their L/gm vs Bama they were tied at 17 before the Tide wore them down in the 2H. Mettenberger has a 20-7 ratio TY and on the field will be 3 of the SEC's top 4 WR's in LSU's Beckham/Landry and A&M's Evans. Expect a lot of pts in this one and I think a total of 71 is far too cheap for these two high-powered offenses. 1 of this week's high scoring games.

HIGH SCORING POW

Phil's Forecast:

Little Rock. LY's 31 pt win (45-14) was MSU's largest in an SEC game s/'98. The Hogs come in off a bye and it's their FHG. The Bulldogs did put forth a great effort LW but came up short vs Bama 20-7 as they caught the Tide in a flat spot off LSU. MSU benefitted from 4 Bama TO's and had a FR td in the EZ. Russell st'd at QB in the place of the inj'd Prescott but then he was KO'd in the 4Q and they had to go to frosh Williams who was 0-5. It's been a tough 1st-yr for HC Bielema who has seen his Hogs lose 7 consec gms, however I like the situation here catching MSU off a solid effort w/a big rivalry gm on deck. Hogs play w/nothing to lose and snap their losing streak.

Phil's Forecast:

Oregon is 12-2 in this series winning the L/5 (OU avg 51 ppg, 502 ypg). Ducks have the Civil War on deck while Zona is playing a 7th str wk and have archrival ASU on deck. The Ducks rebounded off their upset loss at Stanford to beat Utah 44-21 and came away the real winners LW in the P12 as Stanford's upset loss to USC has the Ducks again atop the P12 North standings. UA, on the other hand, is reeling after getting upset by Wash St 24-17 and now could be staring at 4 str losses to end the ssn. Ducks have new life and even w/a gimpy Mariota I think they roll here.

Phil's Forecast:

Green Wave are off a bye while UTEP is playing its 4th road game in 5 wks. After clinching bowl elig, TU has lost B2B gms but nearly pulled off their 6th upset in their L/gm but two 60-yd plays by UTSA proved huge in the 10-7 loss. They did win, however as a Inside the Pressbox best bet. UTEP, meanwhile got their 1st CUSA win under Kugler LW 33-10 over FIU as they had a 407-200 yd edge. LY's leading rusher Jeffery got 130 yds (leading rusher Jones OFY). However, TW will be tough sledding vs a Tulane D all'g just 116 (3.0) at home TY. The added rest should help ailing TU QB Montana and look for the Green Wave to get back to their winning ways.

TULANE 34 UTEP 14

Phil's Forecast:

In '11 Cal vs a #8 Stanford only lost 31-28. LY SU finished with a 475-217 yd edge and won 21-3. The Cardinal are off two huge gms against Oreg and a road trip to USC w/ND on deck. LW they lost to the Trojans 20-17. While the Cardinal have arguably played the best 6Q of any tm TY (1st 3 vs ASU/Oreg), in nearly every other gm they have been rather average. Cal is playing their 9th str gm but this is their final game of the year and Dykes first crack at their rival. While it's been a season to forget for the Bears (1-10) I think they can keep it interesting for awhile here as the Cardinal could be a little disinterested after seeing their P12 and Rose Bowl hopes go up in smoke in the Coliseum last Saturday night.

Phil's Forecast:

First meeting. These two in-state opp's are 304 miles apart. Both tms have exceeded my expectations TY as UTSA looked like they were heading for a 2-win ssn at best but have managed 5 in their 1st yr of CUSA. They have won 3 str gms but were fortunate to come away w/a win in their L/gm 10-7 over Tulane as 2 big plays went their way. NT, meanwhile is firmly in command of the CUSA West and have won 5 str gms. I've been writing about Apogee Stadium for a couple yrs now and TY the Mean Green are outscoring their opp 35-13 (+125 ypg) at home. Two overachieving tms but UTSA, very much like what happened in their road trip to Marshall earlier TY (lost 34-10) are outclassed here.

NORTH TEXAS 30 UTSA 17

Phil's Forecast:

LY ND took the lead 17-14 late 3Q and BYU had a wide open WR in the 4Q down 3 but the pass sailed inc. BYU traveled to Wisc 2 weeks ago and were outmuscled by the physical Badgers. The Cougars have won 6 of their L/7 gms and already have wins over quality tms in Texas, GT and Houston. The Irish also have quality wins over MSU, Ariz St and USC but are off 2 of their worst performances of the ssn as they were nearly upset by Navy, then lost to Pitt ending any hopes of a return to a BCS Bowl. On paper, BYU has been the more impressive tm outscoring their foes by 13 ppg (+126 ypg) while ND is only outscoring their foes by 4 ppg (+36 ypg). Flip a coin.

NOTRE DAME 28 BYU 27

Phil's Forecast:

Spotting TT 14 pts was just fools gold LW as BU roared back and won 63-34 despite playing w/out 3 key offensive players. This week may be diff however. OSU has won 14 of 16 in the series, the home team has won 7 of 9 and the Pokes are playing with revenge. In their blowout win over UT they proved they are a contender in the B12. They bring a solid pass D that has an excellent 11-19 ratio that may be able to be the 1st to stifle Heisman hopefull BU QB Petty. The Bears struggled the last time they faced a quality team on the road (KSt) and OSU's offense has found its identity and makes this game closer than expected.

Phil's Forecast:

1st reg ssn meeting. MT enters off a bye having won 3 str. They appear headed to their 2nd str 8 win ssn and after not getting invited to a bowl LY, will likely get an invite this year. Their rush attack has been the key during their winning streak as they are avg 272 ypg. It's obvious to say that SM has struggled, having lost 22 straight gms, but the reality is they just aren't showing any type of improvement. They were blown out by 34 pts at home LW vs FAU and have failed to rush for triple digits in 4 str gms, while allowing 300+ rush yds in 3 str! No doubt about the outcome of this one.

Phil's Forecast:

1st meeting. This is the home finale for ASU, which is good news as they haven't lost in that situation s/'10. After being tied with TXSt at HT LW, the Red Wolves pulled away in a 38-21 win. They've now won 13 str gms in their L/5 reg ssn gms the L3Y. The 1st ssn of FBS play continues to be a struggle for winless GSt, although LW they were tied with 1st place UL in the 3Q before they were worn down late. Unfortunately for the Panthers, the road has been a big struggle and you must also take into consideration that ASU has avg 294 rush ypg the L/2 gms, while GSt has one of the worst rush D's in the nation and are allowing 247 ypg (5.4) in SBC play.

Phil's Forecast:

OSU has won 7 of the L/9 meetings in a series that has seen the home team on the winning side 5 of the L/6 times. This is the home finale for Beavers so they should remain focused despite rival Oreg on deck. This is the 2nd of B2B road gms for UW, who fell at UCLA 41 31 as QB Price was inj. The Apple Cup awaits. This matchup will feature strength vs strength as OSU QB Mannion, who has struggled as of late but is still avg 386 ypg takes on a Huskies pass D that has my #14 Pass eff D. Could go either way, but I'll take the side that recent history has been kind to.

Phil's Forecast:

ULM entered the ssn with the realistic goal of making it to a bowl. They now find themselves in must win mode after getting a week off after they were destroyed at home by Ark St 42-14. USA has lost 5 of 6 incl 3 str. Their loss to Navy LW was by far their most lopsided of the ssn. The Jags 3 losses in SBC play have come by a combined 4 pts and their lone win was at home. ULM however, has played better on the road TY including a win over WF. Tough as nails QB Browning puts the Warhawks on his back in this one.

Phil's Forecast:

1st meeting. Must win game for SMU if they want to become bowl elig for a 5th str yr. QB Gilbert leads the Ponies high octane pass attack against a USF tm that has my #82 ranked pass eff D. After suffering thru a 3 gm losing streak, SMU has now won 3 of 4 incl a 38-21 win over Conn LW. The offensively challenged Bulls have struggled learning HC Taggarts WC system as they are avg just 15 ppg in conf play and true frosh QB White took a step back LW after playing well vs Houston the week prior. The Mustangs take one step closer to going bowling and get my call as a best bet.

BEST BET

SMU 34 USF 23

Phil's Forecast:

Fresno has won 5 of the L/6 gms in the series, but LY was their 1st meeting s/'98. It's obvious that the Bulldogs will not be tested in this one as they continue their quest to bust the BCS. The real question is how many points will they win by? They were on a bye LW and will essentially get another one here as NM was decimated by inj LW (both QB/RB OFY). NM's option offense still managed 42 pts LW even w/those players hurt early as they won as my high scoring game of the wk for the 2nd time TY. The Lobos enter with my #120 pass eff D and Fresno counters with the best QB in the MWC in Carr. Expect a lot of points and a Fresno win!

HIGH SCORING POW

Phil's Forecast:

Rare role here for FAU as they will play host to a non conf tm for just the 3rd time in 4Y. Its hard to believe the Owls are still in line to become to become bowl elig following the firing of 2 of their cch's incl their HC after drug accusations. They've won B2B gms under interim HC Wright. NMSt meanwhile, is also playing well despite their record. They snapped an 18 gm losing streak and competed well against a quality Louisiana team as well as ACC BC in their L/3 contests and are fresh off a bye. The Owls will get the win, but the Aggies make it closer than what the "experts" think.

FAU 37 NEW MEXICO ST 20

Phil's Forecast:

These former WAC foes haven't pl'd one another s/'04. TU is off a Thurs night gm against Marshall in which they gave a spirited effort after being down 21-0, to actually take a 3 pt lead before falling 45-34. LT had been playing well, winning 3 of 4, before getting exposed a bit LW in their 52-14 loss at Rice. The Bulldogs still have bowl aspirations and look for RB Dixon to reach the 1,000 yd plateau against a Golden Hurricane team that is allowing 187 rush ypg (4.3). However, this one will probably go down to the wire and I will agree with my computer here.

Phil's Forecast:

KSt's win LY was just their 2nd in the L10Y and snapped a 5 gm losing streak in the series. The Wildcats haven't won B2B gms in the series s/the mid 90's when they won 5 str. OU HC Stoops tied Barry Switzer for the most wins in schl hist (157) after the Sooners turned a 10-3 defecit into a 48-10 route vs ISt LW. Starter turned backup QB Knight relieved an inj'd Bell and rushed for 123 yds incl a 56 yd td run. KSt survived a valiant effort from TCU, getting a GW 41 yd FG with w/:03 left to win their 4th str gm and become bowl elig for a 5th str yr. Despite OU's dominant rush performance LW, I'll call for the Wildcats to turn back the clock and pick up a rare 2nd str win over the Sooners.

Phil's Forecast:

1st meeting as SEC foes. Its been a season of streaks for Ole Miss as they started the ssn w/3 str wins, then lost 3 str, and now have won 4 in a row. This will be their 4th str home gm. Meanwhile Mizzou is off a bye and in must win mode to get to the SEC Champ gm. QB Franklin will return after missing the L/4 gms in which capable backup QB Mauk led the Tigers to 3 wins. RB Josey leads an MU rush attack that is avg 236 ypg while the Rebels are allowing 200+ rush ypg in conf action. Both teams are playing well, but I like the way MU has handled being on the road and feel they are more talented.

MISSOURI 31 OLE MISS 26

Phil's Forecast:

Utah's win LY at home snapped a 3 gm winning streak by the visiting team in the series. Utah is considered by many the "best" 4 win team in the country while Wazzu is 1 win away from becoming bowl elig for the 1st time s/'03. This will be the Utes 2nd str AG after taking one on the chin at Oreg LW. They will be w/o QB Wilson again which would be trouble as backup Schulz compl just 43% on 30 att's. WSU is oozing with confidence after they pulled the upset, shocking AZ LW as their pourous D "only" allowed 395 ttl yds. Obviously the Apple Cup awaits, but surely the Cougars would like to get that magical 6th win at home.

WASHINGTON ST 27 UTAH 23

Phil's Forecast:

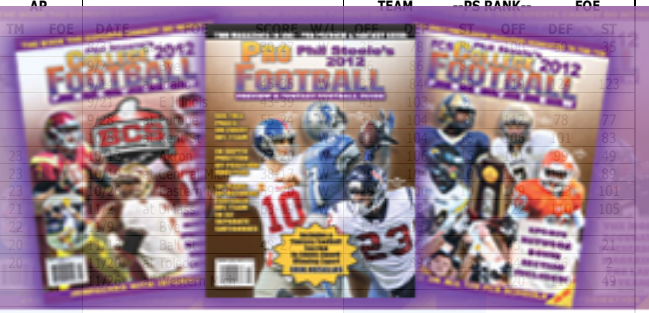

Revenge is on the mind of Boise as they let a 13-7 HT lead slip away as SDSt pulled off the 21-19 upset LY. The Broncos control their own destiny for a chance at another conf champ while the Aztecs have clearly rebounded from their early ssn struggles when they started 0-3, as they have won 6 of their L/7. A big reason for the SDSt turnaround is a healthy RB Muema, who has rushed for 100+ 4 str gms. He may find the running lanes a bit tougher however, as Boise is allowing just 3.3 ypc in conf play. The Broncos are a much diff tm away from the Blue Turf however, as they are actually being outgained by 73 ypg on the road and while I expect Boise to get their revenge, look for a closer score than what the "experts" think.
