Team	Margin	Phil's Forecast:
Las Vegas Line	Iowa by 6	Situational edge to Iowa as UM is off Mich St and Neb w/OSU on deck while the Hawks come in off a bye. LW the Wolverines brought w/them a lucky rabbit's foot at NW in their 27-19 win in 3OT. The Wildcats dropped nearly 10 possible int's. With just 2:18 left, the Wolverines took over at their own 22 w/no TO's left and proceeded to convert on 4th Dn twice. Then w/ the clock winding down they managed to get a 44-yd FG on the final play as multiple players were scrambling and not fully set and the K. They continue to have protection issues as they have all'd 19 sks in the L/3 gms. That's not good news against a physical Iowa tm that has won several best bets for me already this year and are looking to get a B10 statement win. They get one here.
