THE PERFECT COMPLIMENT TO
PHIL STEELE'S COLLEGE FOOTBALL PREVIEW!

Phil Steele Plus
Inside the Pressbox

Welcome to week 5 of **Inside the Pressbox**. Make sure you check back (follow the link below) on **Friday** for this week's Cheat Sheet which provides Phil Steele's Projection, Computer Points, Computer Yards, Weekly Poll results, +/- Power Ratings, a Game Grade, as well as the Las Vegas line. This week we've also included the overall and conference records for each team.

Phil's Forecast:

VT is 7-2 in this series. Last year was the opener so VT had all of Aug to prep for the option and allowed just 288 yds. Trailing 14-10, GT conv on 4&6 and got a td with :44 left for the lead but VT got a 44 yd FG on the final play to force OT and won 20-17. VT only has 5 days to prep for the option off 2 wins vs two quality tms from CUSA in ECar and Marsh but they were both a struggle incl LW's 3OT win in the rain. QB Thomas is only avg 175 ypg (49%) w/a 4-6 ratio. GT also only has 5 days to prep off B2B conf wins. Their QB, Lee has an impressive 7-1 ratio this year. The winner here takes the lead in the ACC Coastal and while I picked VT to win it in my preseason mag, I have been more impressed with GT to date.

Phil's Forecast:

This is actually the 3rd meeting in 2Y as LY the 2 met in the opener and then again in the bowl game. The games were very similar. LY at home ISU trailed 16-7 after 1Q but had a 24-0 edge in the next 2Q's and went on to a 38-23 win. In the bowl it was ISU that jumped out to a 17-7 1Q lead but then TU outscored them 24-0 the rest of the game incl 21-0 in the 2Q and 3Q and TU finished with 23-9 FD and 410-268 yd edges. This is only ISU's 3rd gm of the ssn and their road opener and their L/gm vs Iowa was a bit misleading as they trailed 27-7 mid-4Q. Both tms have huge conf gms on deck but both need a win, I will stick with my computer and call for the Golden Hurricane by 3.

Phil's Forecast:

First meeting and MT's first trip this far west since traveling to Utah St in '03. MT is on B2B road gms after a thrilling 42-35 OT win over FAU LW. MT was outgained 503-446 and the key was FAU's 5 TO's! QB Kilgore (not 100%) is not posting the same numbers TY avg 182 (61%) w/a 4-5 ratio. This is a sandwich gm for BYU in between in-state rivals Utah (lost to Utes for 4th str yr!) and Utah St and after playing UVA and TX and with a gm vs GT on deck, this is clearly their "C" gm for 1st 1/2 of the ssn. RB Williams left LW's gm vs Utah w/a concussion and clearly it affected the Cougs' offense. They will not need him here as they should get a bounce back win.

Phil's Forecast:

SJSt won 3 in a row from '06-'09 but USt has now won 4 in a row. LY the game was basically for the WAC Champ and SJSt was at home. David Fales threw for 467 yds but was sk'd an amazing 13 times. SJSt actually had a 27-18 FD edge but USt led big most of the gm in their 49-27 road win. LW USC ran 49 plays in Utah St territory but only managed 17 pts in the 3 pt win. USC held the Aggies to just 285 yds, 13 FD's and 5 of 17 third-down conversions. Aggie QB Keeton is avg 276 ypg (72%) w/a 14-1 ratio. His counterpart Fales threw for 439 yds LW but tough to ignore the fact Minny had a 353-47 yd rush edge and Utah St is the more physical team here as LY they dominated the LOS with a 212-4 rush yd edge.

Phil's Forecast:

In the L/gm ('07) Pitt lost 44-14 on the road. Cavaliers are 3-9 in road openers but should be well rested off a bye and lowly FCS VMI. The Cavs wanted to get their run gm going LW and did so as RB Hamm had 136 yds (6.5) and Parks 135 (7.9) to become the 1st UVA RB duo to top 100 yds s/'05 in the 49-0 win. A surprising stat might be that UVA does have my #1 pass eff D in the country so far. LW Pitt won their very 1st ACC AG as they beat Duke 58-55. QB Savage tied an ACC record w/6 td passes while throwing to what looks like a solid WR duo of Street/Boyd (comb for 320 rec yds, 5 td's!) Bulldozing 6'2" 230 lb RB Conner had 173 yds (6.7) and may give the Panthers' offense some balance. I will go with my computer on this one and call for it to go down to the wire.

PITTSBURGH 30 VIRGINIA 27

Phil's Forecast:

Only previous mtg was '09 as the Huskies traveled to W Lafayette and pulled the upset 28-21. New Purdue HC Hazell has the adv of prepping for NIU in past as he faced them his 1st year at Kent St and in LY's MAC Champ gm where the Flashes lost 44-37 in 2OT. After their annual respectable showing vs ND, the Boilers were destroyed by Wisc again 41-10. They were dominated at the LOS as the Badgers had a 388-45 rush yd edge. NIU found themselves down 20-0 LW vs pesky E Ill before scoring 30 str pts. The tms then went back and forth before NIU got the 43-39 win. QB Lynch accounted for 424 ttl yds and is avg 221 pass ypg (63%) w/a 7-2 ratio while adding 404 rush (5.9). Earlier this year the Huskies pulled out a win over B10 Iowa and I think they get another here as they move to 16-1 in their L/17 gms.

Phil's Forecast:

First meeting. LW the Trojans were thoroughly dominated 62-7 by Miss St. QB Robinson who is the NCAA's active leader in career pass yds was just 15-25-105-1-1 and the D is all'g 34 ppg and 423 ypg. Duke lost a shootout to Pitt 58-55 despite the efforts of WR Crowder who had 279 all-purp yds LW. It was the most pts Duke has ever scored in a loss as a -4 TO deficit proved to be the difference. QB Connette still filling in for the inj'd Boone has a 8-5 ratio and has added 169 rush yds. Both tms have solid offenses and poor defenses but advantage to the Devils who have a bye on deck playing their 3rd str HG and really need a win while Troy in the last of a 3 gm road trip incl B2B BCS. Duke gets my best bet call for a 2nd str week.

DUKE 45 TROY 28

Phil's Forecast:

UC has now won 7 in a row in this series. LY UB was w/o RB Oliver and QB Zordich hit just 13-30. Conn led 24-7 but UB got a 48 yd td pass on a hook and ladder (:33 3Q) and went 64/7pl for a 45 yd FG with 2:32 left and only lost 24-17 (UB 361-360 yd edge). Conn is off arguably their biggest HG in schl hist vs Mich as they blew a 21-7 2H lead in a 24-21 loss. The Huskies did hold UM to just 284 yds but did benefit from a +3 TC adv. They now have to travel to an improved Buffalo tm off a bye. In their L/gm, a 26-23 5OT win over Stony Brook, their All-MAC RB Oliver DNP (hamstring) but he will be back here. This is clearly a "C" gm for the Huskies and an "A" gm for Buffalo and I'll call for the Bulls to get the win and disagree with my computer.

Phil's Forecast:

BS won 3 in a row from '06-'08 but UT won 3 in a row from '09-'11. LY UT had entered the AP poll for the first time s/'01 and like most teams when that happens for the first time in a long time, they struggled. After UT failed on 4&2 from the BS15, BS went 86/11pl and got a 15 yd td run with 1:43 left for the 34-27 win. The Rockets beat CMU 38-17 LW but did benefit from a +3 TO adv which incl a FR td. RB Fluellen has 3 str 100-yd gms and LW had 197 (6.2) while QB Owens came off the bench (didn't pract all wk) to lead the win. BS bounced back from a disappointing loss to NT (blew an 18 pt lead) by crushing EMU 51-20. They also benefited from a +3 TO edge but QB Wenning continues to impress avg 329 ypg (62%) w/a 9-2 ratio. This one goes down to the wire and the winner will challenge NIU for the MAC West Title.

Phil's Forecast:

Met once before in '11 as CM had a 427-406 yardage edge but lost 38-24 due to 5 TO's. NCSt HC Doeren was the NIU HC the L2Y and CM's win in '11 was his only conf loss in his 2Y. NCSt does have a couple extra days of rest after a bye and a Thurs Night HG vs Clem where they expended a lot of effort in a 26-14 loss. The gm changed on one play as NCSt had an 83-yd td called back due to inadvertent whistle and instead of leading 14-13, they fmbl'd 3pl later and Clem got a quick td to make it 20-7 (the dreaded 2 td swing). CM is playing for a 5th str week and LW lost to UT 38-17. They were only outgained 418-370 as they had a -3 TO deficit. While my computer calls for a dominating Wolfpack win, I think there will be a bit of a letdown after the Clem gm.

Phil's Forecast:

WM is 5-2 in this series. LY WM had a 476-384 yd edge and had a 15-8 FD edge at the half but trailed 17-7 with some hard-luck plays. WM had a 417 202 yd edge and led 24-17 but Kent won 41-24 at home helped by an 85 yd FR td with 6:32 left. WM has already played 3 B10 tms and w/a loss to FCS NWSt, this is their only "winnable" gm in 1st 6 wks w/a road trip to UT on deck. Kent St is also in a tough stretch off BCS LSU/Penn St, traveling for a 3rd str week but also has NIU and Ball St on deck. They expect the return of the dynamic Archer who has barely played this year. 2 desperate tms in middle of tough stretches and I'll go with home team on this one.

Phil's Forecast:

LY NC dominated with a 450-233 yd edge and won 27-6. The Heels are off a 28-20 loss to GT and surprisingly QB Renner is comp just 59% of his passes w/a 4-2 ratio. Equally surprising is that while the NC D is all'g 412 ypg, their D has performed quite well when comparing to what their opp have done in their other gms. EC is 2-1 and while they only lost by 5 to VT in their L/gm, they were outgained 311-204 and benefited from several VT missed opportunities. Fedora and McNeill have now faced each other 4 str yrs as they met when Fedora was at SM (Fedora 2-1). Tar Heels are 12-2-1 in this series but I will agree with my computer and call for the Pirates to keep it closer than "the experts" think.

Phil's Forecast:

LY FSU was off a loss in a game they had played conservative vs NCSt in the 2H. Vs BC they would throw the ball 38x and run just 33. FSU finished with a dominating 649-225 yd edge and won 51-7. FSU won their last trip here 38-7 in '11. The Noles are only off FCS Bethune-Cookman (won 54-6) but now have what looks like a very good MD tm on deck. BC is off a bye after getting thoroughly dominated by USC 35-7 as they were outgained 521-184. This FSU tm is much better than the Trojans thanks to QB Winston who is avg 239 (78%) w/an 8-1 ratio. My computer calls for a 3rd str dominating win for the Noles in this series and I will agree with it.

Phil's Forecast:

Met only once prior in 1996 (Vandy 31-15). The Commodores have taken care of business at home vs non-AQ teams going 5-0 under Franklin winning by an avg of 47-9. LW, however the Dores had a lackluster 24-7 win over lowly UMass on the road. It was only 10-7 at HT before they were able to pull away late. The Blazers should be well rested off a bye and a FCS tm. LW they beat NWSt 52-28 as QB Brown has a 6-1 ratio on the year and RB Reaves has 372 (6.9). UAB's off is avg 401 ypg and they have played w/BCS tms in the past couple of yrs. While Vandy gets the win, I will call for it to be closer than what "the experts" think.

Phil's Forecast:

Miami lost to both Toledo and WM in '11 and those 2 HC's are now the Illinois HC and OC. While I talk w/HC Treadwell every year, the fact is the RedHawks are one of the worst tms in the country as they are dead last in ypg differential getting outgained by an avg of 408 ypg! LW vs Cincy they managed just 4 FD's and 87 yds in a 14-0 loss. On the bright side, the 369 yds all'd was the #1 D performance vs a Cincy off TY! UI is surprisingly 0-9 s/'04 after a bye in the reg ssn. However, the Illini are much improved TY especially on off thanks to OC Cubit as they are avg 37 ppg and 438 ypg while a finally healthy QB Scheelhaase is avg 295 ypg (64%) w/a 7-2 ratio. Illini can name the score here.

ILLINOIS 41 MIAMI, OH 10

Phil's Forecast:

Iron Skillet. The Horned Frogs have won 8 of the L/10 but LTH TCU was upset 40-33 ending their 22 game home win streak. After the game, Jones gave Patterson a compliment, which was taken the wrong way and Patterson had an angry response. LY the game was played in heavy rain with SMU finishing with a 12-11 FD edge and SMU actually had a 220-156 yd edge with TCU having just 27 yds offense in the 2H in their 24-16 win. TCU is 22-2 at home vs non-conf opp's. The Frogs do come in off a bye after a 20-10 loss to TT, but do have a huge gm vs OU on deck while SMU is on B2B BCS road gm after a 42-13 loss to A&M. The Ponies had 16 penalties LW and while QB Gilbert is avg 338 ypg (66%), he has just a 2-1 ratio. TCU has the D edge and I will agree with my computer.

TCU 33 SMU 16

Phil's Forecast:

ASU dropped both previous meetings in '04 and '05 by an avg score of 48-19. MO is a much improved tm thanks to a healthy QB Franklin who is avg 291 pass ypg (67%) w/a 6-3 ratio and TY is not afraid to unleash "Frank the Tank" as he has 182 rush (5.1) in 3 gms after having only 122 all of LY (1.4). LW the Tigers got a 45-28 win over a solid Indiana tm on the road as they had 33-20 FD and 623-475 yd edges. It was my high-scoring gm of the week and it did go over the total. Ark St is on B2B away after a dismal 31-7 loss at Memphis. An offense that came into the gm avg 544 ypg, managed just 255 yds while the D all'd 505 yds to a Mem tm that was avg just 294. The Tigers are playing w/a lot of confidence and move to 4-0 with another blowout win.

Phil's Forecast:

Iowa's last 2 trips to Minny's new outdoor stad, they have lost as big favorites. LY in the battle for the Floyd of Rosedale, Iowa was in a great situation as they were off a bye, off a loss and playing with legit revenge. Weisman ran for 177 yds and a 2-2 UI team beat the 4-0 UM team leading 24-0 at the half with a 325-75 yd edge. Both tms are off impressive non-conf wins LW as Iowa crushed WMU 59-3 and Minny beat SJSt 43-24. While UI deserved to win in blowout fashion, it should be noted that they had 4 non-off td's in the gm. Minny dominated the LOS w/a 353-47 yd edge but did benefit from +3 TO's. Bkp QB Leidner ran for 151 yds (6.3) and 4 td and prob gets the call here. Iowa is +152 ypg on the yr while Minny is just +15 ypg despite their 4-0 record. The Hawks get my call as a best bet.

IOWA 30 MINNESOTA 21

Phil's Forecast:

Both were WAC members from 1968-'98. UTEP won the only meeting since (2011) at home 31-17. In that game the Miners had a 456-255 yd edge and rushed for 340 (9.4). CSt comes in off a road trip to Bama where they found themselves down only 17-6 entering the 4Q. Bama was able to win 31-6 but CSt was only outFD'd 16-13. UTEP comes in off a 32-13 loss to UTSA as they were outgained 385-218 and their only td came via a 100 yd KR. A&M trans Showers is avg 164 ypg (63%) w/a 2-1 ratio. Looking at the stats you may think these two teams are even as CSt is getting outgained by 62 ypg while UTEP is getting outgained by 34 ypg. However, there may not be a bigger diff this wk in terms of SOS as CSt has played the #16 sked incl Bama while UTEP has played the #124 sked.

COLORADO ST 34 UTEP 17

Phil's Forecast:

LSU has B2B wins incl '11's SEC Title game (42-10). In that gm, UGA dominated early holding LSU to seven 3&outs but a LSU PR td turned the tide (LSU 0 FD at half!). LW off a bye UGA had a fight on their hands vs NT as it was tied at 21 in the 3Q before they pulled away 45-21. QB Murray's 100th career td pass was the longest play in UGA history, a 98-yd'r to Davis as the Bulldogs racked up 26-13 FD and 641-245 yd edges. LSU comes in off a 35-21 win vs Auburn as they raced out to an early 21-0 lead and RB Hill is starting to feel it after serving his susp earlier T\ as he ran for a career-high 184 (7.4) and 3 td's. LSU QB Mettenberger orig signed with UGA and his mom works in the Bulldog football offices. Both tms have been impressive as LSU is outgaining foes by 170 ypg while UGA is +185 ypg. The diff is that UGA has played the #7 sked while LSU has played the #45.

GEORGIA 33 LSU 30

Phil's Forecast:

The home team has command going 5-0. LY Ariz at home won 52-17 with the 52 pts being the most ever scored vs Washington as was the 35 pt MOV. UA did only have a 25-23 FD edge. Wash is off lowly FCS Idaho St w/Stan on deck while Zona is 3-0 off a bye, with a bye on deck! The Huskies beat Idaho St LW 56-0 as QB Price was 16-21-213-3-0 in 1.5Q. RB Sankey, who came in leading the NCAA in rush ypg only had 4 carries but 19.3 ypc. Wash is an amazing +350 ypg (#3 in NCAA) TY while Zona is +121 ypg playing a weaker sked than what UW has played. Newly renovated Husky stadium could provide the same type of HF adv that the Huskies enjoyed in the Don James era and I think UW gets another impressive win.

Phil's Forecast:

Bama has won 9 in a row in the series. LY Ole Miss was only outFD'd 17-16 and outgained 305-218. They ended the Tide's streak of not trailing in a game for 603 min and 46 sec. That lead (7-6) lasted for :15 as Bama got a 99 yd KR td but Bama only won 33-14. Miss has to travel to Tuscaloosa for a 2nd straight season. In what was a clear flat spot for the Tide LW off their win over A&M, they sat several st'rs and only led CSt 17-6 in the 4Q. Players afterward described the post-gm locker room as "somber," which means they could be playing w/a chip on their shoulders here. Ole Miss is 3-0 after their 44-23 win over TX 2 wks ago. The Rebs are even better than LY's team that hung w/the Tide for awhile, however, that effort should have the Tide focused here in what should be another double digit win.

ALABAMA 40 OLE MISS 20

Phil's Forecast:

The Ducks have now won 4 in a row in the series. The L2Y UO has rolled up 563 and 575 yds and won by an avg of 51-16. LY trailing just 24-17, Cal was int'd at their own 35 and the Ducks hit a 35 yd td pass on the next play and the rout was on. Both tms are fresh off a bye. The Ducks clearly deserve their lofty #2 ranking as they have outscored their opp by an avg of 61-9 even though they have played 2 BCS tms. Unlike past yrs, new HC Helfrich is not letting up in the 2H as they are avg 27 ppg after the break. Cal is playing their 3rd ranked foe already TY and despite true frosh QB Goff's record setting numbers (435 pass ypg, 61%, 7-4 ratio), the D continues to be an issue all'g 556 ypg (#120), which doesn't bode well vs a UO off avg 672 ypg.

Phil's Forecast:

USC is now 12-1 in this series. LY they were playing with legitimate revenge after having a streak of 11 straight wins snapped by a 43-22 loss at ASU. USC controlled matters with a 447-250 yd edge and won easily 38 17. LW USC was coming off an impressive 35-7 win over BC and while the D again did their job, the offense again was atrocious in the 17-14 win. ASU is off a misleading 42-28 loss to Stanford as the Sun Devils trailed 39 7 after 3Q's piling up most of their 417 yds in the 4Q. QB Kelly is avg 340 pass ypg (60%) w/an 8-4 ratio but will be tested here against one of the most improved D's in the country all'g 13 ppg and 163 ypg less than LY thanks to new DC Pendergast. While Trojans were my pick to win P12 South, I'll go with the Devils here w/USC offense so disappointing.

ARIZONA ST 20 USC 17

Phil's Forecast:

Dallas. Army has 18 players from the state of Texas on their roster and even played their spg gm there this yr. LW the Knights led WF 11-10 late-3Q but gave up 2 td's on the Deacons next 2 drives and lost 25-11. The Knights were playing w/o their top 2 backs in Maples and Dixon but they could be back here. La Tech meanwhile had 2 costly 4Q TO's in a 13-10 loss to KS. The 1st one came as QB Higgins reached for the EZ and fmbl'd for a TB and then RB Dixon fmbl'd at the KU5 w/1:33 left all'g KU to drive down and hit a 52 yd GW FG. While my computer says LT by 2, Army is playing just 3 hrs away from Ft. Hood, one of the largest US Army bases in the world and look to have the crowd edge.

ARMY 28 LOUISIANA TECH 24

Phil's Forecast:

These 2 had met 3 straight years from '09-'11 with Ark going 3-0. LY Ark actually jumped out to a 10-7 lead after 1Q. The Hogs wouldn't score again and trailed 27-10 at half, 44-10 after 3Q's and lost 58-10 with A&M having a 716-515 ttl yd edge. Manziel's 557 yds broke the SEC record. LW the Hogs led Rutgers 24-7 on the road but collapsed thanks to a 58 yd PR td and then a 33-yd td pass on 4&12, which let Rutgers back in it. They were outgained 400-283 as the vaunted ground gm was held to 101 yds while QB Derby was 14-26-137-1-0 filling in for the inj'd Allen, who is still ? here. A&M in a clear flat spot LW off the loss to Bama, still jumped out to a 32-3 mid-2Q lead and won 42-13 over SMU. They have scored at least 42 pts in all 4 of their gms TY (1st time in schl hist). While I think the Hogs will be able to get the ground gm going, it won't be enough as I will agree with my computer.

TEXAS A&M 40 ARKANSAS 27

Phil's Forecast:

LY OU was fired up for undefeated #5 ND at home and it was a lot closer than the 30-13 final. ND took a 20-13 lead with just 5:05 left and 2 OU TO's set them up for their final 10 pts. OU is 1-9 vs ND with their only series win in South Bend in 1956. OU comes in off a bye after a 3-0 start. Who would have thought in the preseason that their D would be better than ND's, but it has shown great improvement. In their L/gm, the offense finally kicked into gear thanks to QB Bell's 1st start as he went 27-37-413-4-0. LW ND beat MSU for a 3rd str yr 17-13 but were aided by several ? pass interference pen on MSU. Rees came into the gm #1 in the NCAA in pass ypg vs FBS tms but went just 14-34-142-1-0. With no mobile threat at QB for ND (Golson 64 rush yds vs OU LY), the Sooners should be able to stop the Irish.

Phil's Forecast:

Broncos are a perfect 3-0 in this series. LY Boise led 23-0 at the half and won 40-14 despite being outgained 424-310. Boise is off a huge gm at Fresno, where the Broncos found themselves down 34-19 late 3Q but a 58 yd KR set up a 35/1pl td "drive" and then after a another Boise td, Fresno fmbl'd the foll'g KR and Boise took a 40-34 lead before Fresno scored a td w/2:14 left for the 41-40 win. The Golden Eagles have the nation's longest losing streak at 15 and continue their formula of winning everywhere but the scoreboard as they outgained TXSt 400-215 in the opener and were only outgained 233-168 and 159-130 at HT in losses to Neb and Ark. This is the farthest trip west for SM in the reg ssn s/their road trip to Boise in '07 and look for their losing streak to continue.

Phil's Forecast:

UM is 4-1 in this series. LY UM finished with a 548-358 yd edge. USF st'd Bobby Eveld at QB but he left after 3 series and Floyd (3rd string) ply'd the rest of the game hitting 23-43-204. The final was 40-9. LTH UM hit a GW 36 yd FG as time exp'd (6-3). The previous time Miami scored under 7 pts & won was in 1979 (6-0). The Canes should be well rested off a bye and lowly Savannah St while USF is off a bye. UM set a schl rec for pts w/77 in the rout of Savannah St but did so w/o their QB Morris for most of the gm who sprained his ankle but should be back here. The gm was so out of hand that the cchs decided to make the 4Q 12 min long. While USF has been terrible so far this year, I think they play with some pride here and will disagree with my computer and call it to be closer.

MIAMI 34 USF 14

Phil's Forecast:

CU is 15-4 in this series and have outgained WF by over 200 yds in each of the L4Y. LY CU WR Watkins set a schl rec w/202 yds and QB Boyd threw for a schl rec 428 yds and 5 td's. LW Clem beat NCSt 26-14 but were fortunate as a huge swing play in the 3Q had NCSt getting an 80-yd td called back due to an inadvertent whistle, and 4 pl later (after an NCSt fmbl) Clem had a td and instead of trailing 14-13 led 20-7. NCSt did conv 4 4th Dns on a record 23pl drive late in the 4Q. Wake after a disappointing 1-2 start incl losses vs BC/ULM, found themselves down 11-10 in the 2H vs Army LW but pulled out a 25-11 win as the ground gm finally got on track w/228 yds. Clem is in uncharted waters being ranked in the Top 3 and will be getting everyone's best shot but clearly they should roll here.

CLEMSON 41 WAKE FOREST 14

Phil's Forecast:

First meeting. This is Temple's first game in a dome s/'06 (lost 62-0 @Metrodome) but they are coming off a bye. The Owls are 0-3 TY after the heartbreaking loss to Fordham who got a 29-yd td pass w/:04 left. QB Reilly (inj'd) had to come off the bench in the 2H w/Temple losing 20-7. ID is off a 42-0 loss to a much improved Wazzu tm. The Vandals are -169 ypg but have played the #34 sked while the Owls are -180 ypg playing the #51 sked. This is one of the longest road trips for any team TY but I think the bye negates it to a certain extent as Owls get first win on year.

Phil's Forecast:

LY TU was down to 3rd string QB DJ Ponder and ULM rolled with a 555-151 yd edge and a 28-11 FD edge in a 63-10 win. Tulane is on their 3rd str road gm while ULM is coming off B2B BCS gms and has a SBC showdown vs WKU on deck just 5 days later at home. Both tms were blown out LW but Tulane's was misleading vs Cuse and their ST's were atrocious all'g 3 blk'd kicks (2 punt, 1 FG) and fmbl'd a punt which all set up the Cuse for td's. ULM, on the other hand, ran into the Baylor machine losing 70-7 as ULM HC Berry said his tm didn't get burned, it got "scalded". Remember 2 wks ago Tulane was my winner as my upset pick of the week vs an in-state foe but this time lose a close one while keeping it much closer than what "the experts" think.

Phil's Forecast:

First meeting. UH comes in off a bye and Rice w/a bye on deck while UTSA is off OkSt, Zona, at UTEP and has Marshall on deck and has never faced this type of gauntlet in their program history. Kudos to the Roadrunners though who are 2-2 on the ssn after LW's 32-13 win over UTEP as they outgained the Miners 385-218 and the only td all'd was a 100-yd KR. UH is off a 31-26 win over Rice. UH actually led 31-13 at one pt and then w/2:19 left in the 4Q leading 31-20 were lining up for a FG before it was blk'd and ret'd 61 yds for a td for a misleading final. UH has the huge offensive edge and the Cougars are also used to playing in a dome after Reliant was closed LW. Look for the Cougars to get another win over an in-state foe and I will agree with my computer here as the Cougs win by 10.

Phil Steele		Bowling Green By 16

Phil's Forecast:

BG has now won 4 in a row. LY at the half Akron had a 282-150 yd edge but BG, trailing 10-0, had HC Clawson challenge the O-line and BG had a 322-32 yd edge in the 2H winning 24-10. BG is off Murray St w/just UMass on deck while Akron has played UCF, Mich, ULL and has Ohio and NIU on deck. LW the Zips after getting nat'l pub for their near upset of Mich found themselves down 35-24 to ULL but got a 28-yd td pass w/:29 left to make some Zip backers happy. BG meanwhile for the 2nd time TY put up the most yds in the Clawson era w/660 in a 48-7 win over Murray St. QB Johnson was 19-22-244-2-1 and the Falcons are now outgaining their foes by 126 ypg while Akron is getting outgained by 95 ypg. Look for the Falcons to show who still remains among the top in the MAC East.

Phil Steele	Oregon St by 13	

Phil's Forecast:

The Buffs are in the unusual role of being off a double bye due to the PPD Fresno gm because of the massive flooding in Boulder, which clearly has effected the player and cch's personal lives. It is a tough break for a tm that was playing with a lot of confidence after a 2-0 start. WR Richardson does have 417 yds (20.0) and CU is a completely diff off w/him (out LY w/ACL). LW Oreg St won their 2nd str gm in dramatic come-from-behind fashion 34-30 over San Diego St. The Beavers were down 30-21 late 4Q but got a td w/2:40 left then on SDSt's 1st play on the next poss, got a 16-yd IR td. QB Mannion continues his incredible hot start as he is avg 401 ypg (72%) w/a 15-1 ratio! While Cal/Oreg will have more pts, the 60 pt total line in Vegas for this gm makes it my best bet high scoring gm of week!

Phil's Forecast:

LY UCF dominated SEC member Missouri with a 21-6 FD 1H edge but an 80 yd td pass kept Mizzou in the game and a 66 yd PR td gave MO the lead in the 3Q. In the last 2 times these two have met, UCF has played much closer than expected incl in '05 (Spurrier's 1st gm as HC). The Gamecocks should be focused coming in off a bye after their 35-25 win over Vandy, which was not as close as the final indicated as they jumped out to a 28-0 lead. They only have KY on deck while UCF is also off a bye after arguably one of their biggest wins in schl history winning at Penn St 34-31. The upset was no fluke as the Knights never trailed and led 31-17 into the 4Q. QB Bortles is avg 272 ypg (71%) w/a 7-1 ratio. Since opening Bright House Stadium in '07, UCF's only BCS home win was vs BC (30-3) but 5 losses came by just 8 ppg and don't be surprised if this one is still in doubt deep into the 4Q.

SOUTH CAROLINA 27 UCF 24

Phil's Forecast:

UF has won 26 in a row in this series. UF had outscored UK 94-3 recently in the 1Q but only led 3-0 at the end of the 1Q LY. UF would cruise from that pt forward winning 38-0. UK does come in off a bye but are in midst of a 5 wk stretch where they are playing 4 Top 15 teams. In their L/gm, they played a good 1H vs UL but were dominated in the 2H in a 27-13 loss. UF clearly has the talent edges and won their last 2 here 48-10 & 41-7, however they will be playing w/o QB Driskel who is OFY (broken leg). Bkp Murphy played well throwing 8-14-134-1-0 while adding 84 rush (8.4) but coming off the bench and st'g are 2 very diff things. Joker Phillips is now on the UF staff and he bled Blue and White most of his life and has to be bitter after they fired him, plus he recruited all of their players and knows their strengths and weaknesses. Look for the Gators to make a statement.

Phil's Forecast:

Seattle. Stanford has won the L/5. LY WSt had a 385-256 yd edge. Stan got a 25 yd IR td in the 4Q but at the end WSt got to the SU9 but was sk'd on the final 2pl (24-17 loss). The Cougs are one of the MIP tms in the country TY especially on D all'g 22 ppg and 161 ypg less than they did a yr ago. LW HC Leach put the D st'rs back in on ID's final drive to preserve the Cougs 1st shutout s/'03 and ID HC Petrino was not happy about it. The Cardinal are off a misleading 42-28 win over ASU as they led 39-7 into the 4Q. After pulling his st'rs, HC Shaw had to put Hogan and the rest of the off st'rs back in the gm late. Dating back to LY's Apple Cup win, WSt is 4-1 and are playing w/a lot of confidence. The Cardinal have their hands full here.

Phil's Forecast:

Wyoming hosted Texas St in '11, which was their final ssn in the FCS. The Cowboys only led 14-10 early 2Q but finished scoring the L/31 pts and they outgained TSt 618-189! The Pokes look to be much improved TY, thanks to HC Christensen taking over the OC duties as the off is avg 42 ppg and 556 ypg. LW Christensen and Co got revenge as they crushed AF 56-23. While Carr/Fales/Keeton get all the pub, Smith gives the MW yet another dynamic playmaker at the QB spot as he had 511 total yds LW (broke schl rec) and is avg 329 pass ypg (68%) w/a 13-3 ratio while adding 299 rush (8.3). LW the Bobcats were only down 13-0 at HT to #25 TT but the Red Raiders pulled away in the 2H in a 33-7 win. The Bobcats were outgained 552-240. Look for the Pokes to get another win here.

Phil's Forecast:

Navy is 2-0 in the series. The Middies come in off a bye at 2-0 avg 46 ppg and 552 ypg. The diff between TY's Navy tm and past ones is the play of QB Reynolds who in the L/gm vs Delaware threw for 237 yds giving them a legit pass threat. Speaking of QB's WKU HC Petrino not pleased w/his QB play for the 1st 3 gms of the ssn, used 4 of them LW in the 58-17 win over Morgan St. Their job was easy as RB Andrews ran for 213 yds (12.5) and 5 td's while the Hilltoppers scored their most pts s/joining the FBS in 2009. While WKU did prep for the option in the spring, it will be a shock at how quick and how precise the Mids can run it as they get their 3rd straight win on the season.

Phil's Forecast:

First meeting. The Rice Owls come in off a misleading 31-26 loss to UH w/Rice trailing 31-13 at one pt and they got a huge 61-yd blk'd FG ret for a td w/2:19 left. FAU nearly got another upset LW in a 42-35 OT loss to MT. The FAU Owls rolled up 503 yds thanks to QB Johnson's 321 pass yds and multiple big plays on 4th Dn. The diff in the gm was FAU's 5 TO's incl one in the 4Q when they were driving for the lead and the win (MT td 1pl later). Huge sked edge to Rice as they haven't left their home city since the start of Sept while FAU is already playing their 4th road gm. However, FAU backers should be well aware of how they have performed as an underdog and I will call for this game to be closer than "the experts" think.

Phil's Forecast:

1st meeting. LW HC Jones gave rFr Peterman his 1st career start on the road in front of 90K in The Swamp and he responded w/3 TO's in a 17-min period while getting benched for Worley in the 2H of a 31-17 loss. USA after a loss to an FCS tm in the opener comes in feeling good after arguably their 2 biggest wins in schl hist (Tulane/WKU). The Jaguars are 0-3 vs BCS teams on the road losing to NCSt twice and Miss St. While the avg of score was 32-10 that is misleading as they've been outscored an avg 31-1 at HT. Sked edge to USA (off a bye) while Tenn is off B2B road trips vs Top 15 tms and have UGA on deck. However, the Vols will need a feel-good win and get one here.

Phil's Forecast:

LY was the first time UN, in their history, had ever faced a service acad and the first time they had faced the triple option in about 2 decades. AF had a 600-380 yd edge and won 48-31. LW Nev beat Hawaii 31-9 as QB Stewart made his 1st career start (14-20-202-3-0) while Fajardo sat out again. Despite the 3-td win, the game was misleading as UH had a 376-340 yd edge but had 6 TO's incl Nev getting a 2-yd FR td. AF, on the other hand, is having their worst season in the Calhoun era off to a 1-3 start and have been blown out in 3 of their gms incl LW 56-23 to WY. While QB Awini has shown flashes of throwing the ball, his rec's have several drops while the D is all'g 41 ppg and 508 ypg. Tough for me to gauge this gm w/Fajardo still ?, so I will call for the home team by 6.

Phil's Forecast:

Dana Holgerson was the OC at OSU and he had hired away Joe DeForest as his DC. LY was the first gm between the 2 since the '87 Sun Bowl. WV rallied within 38-34 with 5:30 left in the 3Q but Ok St got the 55-34 win. LY WV nearly pulled an upset of OU losing 50-49. However, that tm had playmakers on off, while TY's tm is still searching after a 37-0 loss to MD. WV had as many TO's (6) as they had FD's as QB Childress struggled in his 2nd start. OSU comes in 3-0 and need another feel-good win w/all of the off-field distractions.

Phil's Forecast:

The Badgers are averaging 350 yards per game rushing and 8.1 yards per attempt but it was versus a FCS team and 3 rush defenses which rank #125, #78 and #87 this season. Ohio State doesn't have a senior in their front 7 and haven't really been tested, but they still rank #9 in the country in rush defense. In the last 3 Buckeye home games versus the Badgers, OSU has held UW to 73 yards per game under their season average with co-DC Luke Fickell being the constant. On the flip side Kenny Guiton has led OSU in the last 3 games for an inj'd Miller and has lit it up throwing for 68% with a 12-2 ratio. The concern may be the reps that Miller has taken or if Meyer is playing it coy as there's a possibility to see both QB's on the field at the same time. Since 2002, Ohio St is 68-5 at home and they take care of business here.

Phil's Forecast:

The HT is now 5-1. LY UNLV was at home vs a banged up NM team and rolled to a 21-0 HT lead with a 351-134 yd edge and won 35-7. UNLV played a bend but don't break D all'g 350 yds but only 7 pts. That is the fewest pts they've allowed s/'09 and fewest vs an FBS tm s/'07. The Rebels should be confident coming into this one off 2 str wins but NM is off a bye. While some teams win B2B games in a 5 day period (Sat & Thurs) it's taken the Rebels 5Y (gm #10 & 11 in '08) to do so. Since HT of Cent Mich, UNLV has outscored their 2 foes 62-7, outgaining them 725-463. The difference this week is that UNLV has lost ALL 21 road games under Hauck and I will agree with my computer calling for the Lobos as my upset pick of the week.

NEW MEXICO 30 UNLV 27

Phil's Forecast:

Third mtg in 5Y. Rocky Long beat NMSt his L/6 as HC at New Mexico and won both here as DC in '09 and '10. In the 2 games here the Aztecs won by 19 ppg (+127 ypg). NMSt is 1-8-1 vs SDSt (only series win '55). L/gm ('10) NMSt lost 41-21. NMSt led 7-0 but all'd 20 str pts into the 3Q. NMSt cut the deficit to 6 w/11:45 left but all'd B2B td drives as they punted their L/2 poss. SDSt is off a huge HG vs Oreg St as they blew a 30-21 4Q lead. However, with RB Muema healthy (career high 28 att's) and new OC Bob Toledo (hired Long as his DC at UCLA) adding more of the offense on the bye week, the 30 points scored was noteworthy. NMSt's rush D has a long way to go (323 ypg, 6.9) but it won't be easier this week vs a team that will want to get their 1st win on the season.

Phil's Forecast:

The visitor had won 4 straight before Fresno St won at home LY. The Bulldogs led 21-0 after 1Q and 42-3 at HT. Four td's came on plays of 31+ yds, all by different players. Huge sked edge to Hawaii as Fresno is off a titanic home win vs Boise breaking their long series losing streak and traveling while UH is off a bye and road trip to Nevada. Fresno did just play here in their bowl and this is their 3rd trip here in 3 yrs. Hawaii struggled at windy and chilly Reno with winds of almost 30 mph and a wind chill of 37°. The Warriors used 4 QB's after Graham was KO'd and UH finished with 6 TO's but they continued playing hard and finished with a 376-340 yard edge. Clear flat spot for the Bulldogs here but they still have enough for a comfortable win.

FRESNO ST 37 HAWAII 20
