Phil's Forecast:

GT is 15-1 in this series. LY Duke did have the advantage of a bye the week before but the Blue Devils offense could only watch in the 2H as GT held the ball for more than 38:00 in the game with scoring drives of 13, 10, 16, 13, 18 and 6 plays. TY GT comes in off a bye (only played FCS Elon in a 70-0 win). A year after getting their 1st bowl s/'94, the Blue Devils look just as good if not better off a 28-14 win over Memphis. It is their first 2-0 start s/'98 but they did lose their QB Boone to a shld'r inj LW and he is out for this gm. However, bkp Connette was highly efficient going 14-21-198-2-0 and the Devils outgained the Tigers 470-237. Look for the Devils to keep it close.
