Phil's Forecast:

The Bears could get back Jay Cutler (groin strain) this week but keep in mind against WAS 2 weeks ago, he was just 3-8-28. It was Josh McCown who hit 14-20-204 and McCown last week threw for over 200 yards guiding the Bears to their win over Green Bay. These two met earlier in the year in Detroit and the Bears trailed 30-13 at the hall and scored a couple of late td's to only lose 40-32. Since then CHI has lost some key players on the defense to injury (DT's Henry Melton, Nate Collins and MLB DJ Williams) In their last two games DET has put up 1,057 yds vs CIN's #5 D and DAL. I feel the Lions are the stronger team and statistically they are at +35 ypg with CHI at -23 ypg. The Lions are off a bye while CHI is off a big Monday Night effort. I will call for the potent DET offense to roll over a banged up and very un-Chicago-like defense that is allowing 391 ypg, 4.4 ypc and 66% completions.

Detroit 31 Chicago 21
